WHOLESALE PRICE LIST OF GLADIOLUS BULBS

Again for the 43rd consecutive year we have finished harvesting our fine crop of bulbs.

In spite of a season, dryer than usual we had plenty of good showers to keep the bulbs growing nicely and we were able to dig over 5,000 bushels of nice bright healthy bulbs.

All of our bulbs are hand dug, hand cleaned, and hand graded. All bulbs are clean, healthy and free of disease and thrips and only first quality bulbs are ever shipped out—but because we have no control over conditions after the bulbs leave our hands, we give no warranty, expressed or implied as to productiveness or any other matter of any bulbs we sell and will not be responsible for the crop.

All quotations are Net F. O. B. Winona, Minn., and subject to prior sale and change without notice.

Cash with order or 25% deposit on hold orders. We make no charge for packing and if orders leave here by express—shipments can be made anytime all winter.

Correspondence invited on all quantity lots.

No orders accepted at these prices for less than \$5.00.

WE DO NOT SELL GLADS RETAIL
